Plastic frame accessories		
Z-1000000040		Plastic frame magnetic holder. Fixes frames at 90° angle.
Z-1000000039		Plastic frame magnetic holder. Fixes frames at 0° angle.
Z-1000000041		Swivel magnetic holder for using plastic frames as shopper stoppers.
Z-1000000065		Round magnetic holder for plastic frames. Fixes frames at 90° angle.
Z-1000000064		Round magnetic holder for plastic frames. Fixes frames at 0° angle.
Z-1000000193		Round magnetic holder for plastic frames with a ratchet grip. Fixes frames at different angles.
Z-1000000194		Universal ratchet clip for fixing plastic frames on shelves, box and basket edges. The ratchet allows to fixe the frame at a certain angle for better price tag presentation. Recommended to use with A6, A5 and A4 frames.
Z-1000000036		Support clip for angled positioning (15° incline) of plastic frames. Always recommended to use 2 clips per frame. Best if used with frames up to A3.
Z-1000000037		Support clip for straight positioning of plastic frames. Always recommended to use 2 clips per frame. Best if used with frames up to A3.
Z-1000000124		Big clamp. To be used with T-holder, ACR-HOLDER, CB-FIX to make universal sign holders.
Z-1000000027		Big clamp with integrated T-holder for plastic frames. Recommended to use with A6, A5, A4 frames. The T-holder with locks makes frame mounting easy, the soft clamp inlays ensure perfect grip on tubes.
Z-1000000195		Powder coated metal clamp with 2 swivel plastic frame holders. The clamp can be fixed on any shelf up to 35 mm thick. Recommended to use with A6,A5,A4 frames.
Z-1000000026		Hanging hook clip for plastic frames suspension. Fixed on the left and right side of the frame, used in combination with ECOTRACK and UNITRACK suspension systems. Always used 2 hooks per frame (left and right).

Standard sortiment POS

Z-100000024		Swivel hanging hook clip for plastic frames suspension. Fixed on the left and right side of the frame, used in combination with ECOTRACK and UNITRACK suspension systems. Always used 2 hooks per frame (left and right)
Z-100000054 Z-100000055		Swivel hanging hook clip for plastic frames suspension with a metal hook. Fixed on the left and right side of the frame, used in combination with ECOTRACK and UNITRACK suspension systems or wire baskets. Always used 2 hooks per frame (left and right).
Z-1000000196		Swivel hanging hook clip for plastic frames suspension. Fixed on the left and right side of the frame, used to hang frames on 18-24mm tubes. Always used 2 hooks per frame (left and right).
Z-1000000197		Suspension ring clip for hanging plastic frames. Fixed on the upper side of the frame. The swivel ring part allows to adjust the ring. Always used 2 clips per frame.
Z-100000025		Hanging hook clip for plastic frames suspension. Fixed on top side of the frame, used in combination with ECOTRACK and UNITRACK suspension systems. Fits the 9mm tube (e.g. used in combination with a magnetic sign holder - MAG-SW-TUBE-L). Always used 2 hooks per frame.
Z-1000000198		Plastic clip for fixing frames on wire baskets (e.g. a «Sale» or «Special offer» display). Always used 2 clips per frame (left and right).
Z-100000087		Plastic clip for plastic frames connection into multi-level sets. Can be used with frames of any size, the number of clips used depends on the set size.
Z-1000000129		Plastic clip to complement plastic frames when used in display panel system. Strong enough to be used with frames up to A2. 2 clips are needed per frame.
Z-1000000199		Plastic clip with foam tape for easy fixing plastic frames to any surface at 0° angle.
Z-1000000200		Plastic clip with foam tape for easy fixing plastic frames to any surface at 90° angle.
Mini frames and accessories		
Z-1000000201		Shelftalker frame MINI series. Size A8. Has 2 fixing point at the back to use with any of the MINI series fixing accessories. Insert loading is done through the slot in the upper part of the frame.
Z-1000000202		Shelftalker frame MINI series. Size A7. Has 9 fixing point at the back to use with any of the MINI series fixing accessories. Insert loading is done through the slot in the upper part of the frame.
Z-1000000203		Shelftalker frame MINI series. Size 1/4A4 (210 x 74mm). Has 9 fixing point at the back to use with any of the MINI series fixing accessories. Insert loading is done through the slot in the upper part of the frame.
Z-1000000204		Shelftalker frame MINI series. Size 1/3A4 (210 x 99mm). Has 9 fixing point at the back to use with any of the MINI series fixing accessories. Insert loading is done through the slot in the upper part of the frame.

Standard sortiment POS

Z-1000000205		Clip for fixing a MINI frame on glass shelves and for making a freestanding price holder.
Z-1000000206		Clip for fixing a MINI frame on TEGOMETALL type shelf edge.
Z-1000000207		Clip for fixing a MINI frame on a perforated surface (distance between holes - 25mm) - e.g. perforated backwall of a shelving unit.
Z-1000000208		Clip for fixing a MINI frame on 39mm datastrip front panel. Ideal to make easy to fix «Special offer»/ «New product» tags - right on the price strip. Can also be used individually to fix TECHNO frames on shelves with 40mm high edge.
Z-1000000209		Clip for fixing a MINI frame on a wire shelf or basket. To be used on wires up to 8mm thick. Always recommended to use 2 clips per shelf.
Z-1000000210		Universal coil clip for fixing MINI frames on wooden, metal and glass shelves up to 40 mm thick.
Z-1000000211		Adapter for mounting MINI frames to DELI price holders. Recommended to use with A8 MINI frame.
Z-1000000212		Magnetic holder for mounting MINI frames on metal surfaces.
Z-1000000213		Clip for fixing MINI frames on different surfaces. Swivel holder provides the possibility to adjust the angle and position of the frame. To be used on the shelves and wires up to 25 mm thick.
Z-1000000214		Adapter for mounting MINI frames on swivel holders. Recommended to use with A8 MINI frame.
Z-1000000215		Solid frame with slender design. To be used with a standart A4 anti-glare pocket (not included). The inforced plastic corner ensures easier scrolling. Recommended to use with metal INFOLINE-ECO holder.
Z-1000000130		Steel display panel system frame holder (for 10 INFOFRAME frames).
Datastrips		
Z-1000000216		Label holder for 27*30mm ticket size. Fits wires from 4 to 6mm diameter.
